HTS722010K9SA00
HTS722080K9SA00

Compatibility

The Hitachi Storage Integration Lab tested this family of Travelstar drives for compatibility with a wide variety of systems and Operating Systems. Testing was to demonstrate compatibility with the following hardware and software. Other combinations of hardware and software are expected to function with this product family, but have not been evaluated. Hitachi Global Storage Technologies recommends you back up all data before installing your new hard drive.
