

LIFESTUDIO™

Mobile PLUS

EXTERNAL HARD DRIVE

The LifeStudio™ Mobile Plus external drive automatically finds and organizes photos, movies, music, and files into a stunning 3D wall* so you can easily view all your content from one location, plus access and post photos to Facebook™, Flickr™ and Picasa™. The included auto-sync USB key delivers ultimate flexibility for your content on-the-go.

Automatic local and online backup provide two levels of reliable protection to help keep your digital content safe. And you can access your files from any computer or smartphone using an internet browser, or share with others by sending a web link. iPad and iPhone aps are also available for an additional cost.

More than an ordinary hard drive – this is the hard drive re-invented.

Features & Benefits

- Preloaded LifeStudio™ automatic organization and easy sharing software seamlessly pulls together photos, movies, music, and documents into a 3D interface* so they're easier to find, view and share
- Includes detachable auto-sync USB key for ultimate flexibility on-the-go: transport just the files you want so you don't have to carry your whole hard drive with you
- Your photos, movies, music, and documents are presented in a stunning 3D wall* so you don't have to dig through folders to find them
- Preloaded reliable local backup and preloaded free online backup provides two levels of protection to help keep your content safe
- Small size makes it convenient to take with you
- Included USB drive dock makes it easy to access your drive without fumbling with cables each time and also holds included USB key so everything is in one, compact location
- 500GB and 320GB capacity options; graphite and platinum color options
- USB 2.0 interface, for PC and Mac
